CAREER FOCUS DAYS INFORMATION

EXPERIENCE LIFE AT BMIHMS AT TORRENS UNIVERSITY

Choosing where to study and the right course to enrol in for tertiary education are two very important decisions. Whether you are a high school student looking to study beyond year 12, or someone who has been in the workforce looking to further their education, you need to have as much information as possible before making a decision. To help make the decision easier, BMIHMS at Torrens University offers a Career Focus Days (CFD) program.

CFD is a 3-day residential program for students considering a career in the hospitality industry, designed for those aged 16 and over. This program gives prospective students insight into what it's really like to study at BMIHMS and available career opportunities in the hospitality industry. The CFD is held at our Practical Learning Centre (Leura Campus) and Executive Business Centre (Sydney Campus).

THE CAREER FOCUS DAYS GIVE YOU INSIGHT INTO:

Our academic curriculum

Get a snapshot of the academic program, including practical 'real-life' training components, at our simulated hotel and restaurant environment in Leura, and business campus in Sydney.

Student life

Stay on campus throughout the program and meet our students from all over the world. This gives you the opportunity to hear firsthand what it's like to be a BMIHMS student.

Career opportunities

Discover how our industry placements and our graduate recruitment program can launch a hospitality career that will take you around the world. You will experience a student industry placement on location in one of the best 5-star hotels Sydney has to offer.

Industry insight

Included in the program is a behind the scenes tour of an operating hotel. You will see what it takes to run a hotel and meet working professionals who are passionate about the hospitality industry.

"Included in this program was an amazing behind the scenes tour of the Four Seasons Hotel. This allowed me to see into the complexities of running a hotel. I also met new people who share my interest in the hospitality industry."

Lachlan Daley
CFD Participant

"The School operates like a hotel, so the vibe of the School made me feel part of the hospitality industry during this program."
