Choosing where to study and the right course to enrol in are the most important decisions you will ever make. To help you make this decision, Blue Mountains International Hotel Management School (BMIHMS) offers Career Focus Discovery Days: a 3 day residential program for students considering the hospitality industry, aged 16 and over.

Study with the best
Blue Mountains has been recognised as the leading hotel school in this part of the world. We ranked number 1 among hospitality management schools in Australia and Asia Pacific in a survey of international hotel hiring managers, (TNS Survey 2013).

So why not get the best education available?

Start by understanding how:

➢ You can complete a Bachelor degree in just 2.5 years including 2 six-months paid work placements.

➢ You can experience our unique learning environments on location (Leura and Sydney), meeting current students and staff from all over the globe.

➢ Our hotel and event management programs give you the solid foundation you need for a successful career in hospitality.

The Career Focus Days’ Program gives you an insight into:

➢ Our academic curriculum: Get a snapshot of the academic program, including the ‘real life’ training components, at our simulated hotel in Leura and business campus in Sydney.

➢ Student life: Stay on campus throughout the program and meet our students from all over the world. This gives you the opportunity to hear first-hand what it’s like to be a Blue Mountains student.

➢ Career opportunities: Discover how our industry placements and our graduate recruitment program can provide you with a hospitality career that can take you around the world. You will experience a student industry placement, on location in one of the best 5-star hotels Sydney has to offer.

Career Focus Days’ Program fees

Just $325 which includes:

➢ Transportation throughout the program including pick up and drop off at Sydney Domestic Airport or Sydney Central Station (on the first and last day of the program).

➢ Accommodation and three meals a day.

➢ All activities related to the program.

It’s free if you enrol in our degree program.
All students who attend a Career Focus Days’ Program and subsequently enrol in our degree program will receive a credit of the Career Focus Days’ fees towards their first year tuition or residential fees.

The School operates like a hotel, so the vibe of the School made me feel like I was already part of the hospitality industry. Aline Huynh

Included in this program was an amazing behind the scenes tour of the Four Seasons Hotel. This allowed me to see into the complexities of running a hotel. I also met new people who share my interest in the hospitality industry. Lachlan Daley
