### HTL302 Revenue Management

Revenue management helps to predict consumer demand to optimise inventory and price availability in order maximise revenue growth. In this subject, students will study the origin, functioning, role and importance of revenue management processes; the role of revenue management in modern hotel marketing and management including inventory control and management of the distribution function; the impact of levels of guest service and satisfaction; and the ethical dimension of revenue management.

- **Topic 1:** Introduction to Revenue Management
- **Topic 2:** The History and Application of Revenue Management
- **Topic 3:** Market Segmentations and Strategic Levers of Revenue Management
- **Topic 4:** Reservation & Channels of Distribution
- **Topic 5:** Dynamic Value Based Pricing
- **Topic 6:** Inventory Management and Legal and Ethical Issues
- **Topic 7:** Economic Principles and Dynamic Forecasting
- **Topic 8:** Internet & Revenue Management
- **Topic 9:** Strategic Revenue Management

### HTL303 The Leadership Experience

Fundamental theories, as well as pertinent leadership issues are reviewed in this subject. The Leadership Experience focuses on the contemporary work environment, and leadership suitable to drive the entire organisation forward while meeting stakeholder obligations. How you develop a personal leadership style, including the process of inspirational influence is examined. Moral leadership is a key theme throughout the unit. It does not mean ignoring profit and loss, share price, production costs and other hard measurable facts, but it does require recognizing and adhering to ethical values and acknowledging the importance of human meaning, quality and a higher purpose. The unit demonstrates leaders are in a unique position to influence positive societal and environment change. Students will ultimately appreciate effective leadership in the 21st century also encompasses embracing causes beyond the walls of the organisation.

- **Topic 1:** Introduction: What does it mean to be a leader?
- **Topic 2:** Traits, Behaviours and Relationships
- **Topic 3:** Contingency Approaches to Leadership
- **Topic 4:** The Leader as an Individual
