The aim of Industry Placement is to introduce students to the work environment external from the school. Students are first prepared for Industry Placement by attending workshops on the preparation of recruitment and selection documentation and practice their interview skills (IP101a).

Whilst on placement students are provided with opportunities to develop their career pathway and enhance their operational skills and knowledge. This subject further provides the opportunity for students to reflect upon the relationship between their academic studies and the workplace environment. Employment is to be undertaken in a Food and Beverage outlet within their chosen discipline (hotel, restaurant, event, hospitality environment).
